

PlaySmart – Video Tutorial

Text on screen:

My PlaySmart

Voiceover:

OLG is a place to go for fun. And to keep the fun in the game, PlaySmart has built 4 tools to help you play, personalized. It starts with My Play Personalizer.

Text on screen:

My Play Customizer

Video:

Shows sliders for time and budget similar to an audio board.

Voiceover:

Where you take control of your game by setting your own time and money budgets. Allowing you to personalize your play to just how you like it, while still keeping it fun every time you play. Next, is My Play Profile.

My Play History

Video:

Shows Playing cards in a pattern, along with icons of other games such as roulettes and slot machines.

Voiceover:

Here, you'll learn how to keep your time on OLG fun with personalized feedback about your play patterns. Knowing your play habits can help you make better decisions when playing. And the last tool you'll find here is My Play Breaks.

Text on screen:

My Play Breaks

Video:

Shows a calendar, with days being filled in with orange as two more filled calendars slide into frame from each side.

Voiceover:

Which helps you step away and take a break whenever you decide you need one, anywhere from one day to 3 months.

Video:

A laptop opens and logs into OLG.ca as it displays the four icons for the PlaySmart tools one last time.

Voiceover:

These 4 easy-to-use tools give you the power to keep gaming fun and make every play with confidence. To get started, go to your account and click on 'My PlaySmart Tools.'
